- The schedule for summer rehearsals has been set this year in hopes of having the entire show learned before school starts. It is very important that everyone attends ALL scheduled practices during the summer.
- During lunch breaks, all students are expected to bring their lunch and stay in the area of the band rooms unless they are a car rider. No student should leave campus on foot.
- Because of the amount of work involved and the expense of hiring a full staff for the summer, students who do not attend will be assigned the position of alternate for competition.
- If for some reason a student cannot attend all rehearsals, the band department must be notified in advance so that arrangements can be made. Please email joseph.nassar@apsb.org
