No refunds of any kind will be issued to any individual who chooses not to participate in the trip after this contact is signed. Additionally, no refund will be issued to individuals who move, transfer, drop band, or are unable to attend the trip due to circumstances beyond the control of the St. Amant Band, or students who are prohibited from school-sponsored events in accordance with Ascension Parish School Board or St. Amant High School Administrative policy.

Liability

Students and chaperones are responsible for their own belongings for the duration of the trip. Loss, damage, or theft of personal property will be at the expense of the individual. This includes luggage, clothing, personal effects, musical instruments, cash, traveler's checks, credit/debit cards, audio/video equipment, cameras, and all other personal property.

Any damages to the hotel rooms, tour buses, theme park property, or other property will be the responsibility of the

student(s)/chaperones(s) involved. The Ascension Parish School Board, St. Amant High School, and St. Amant High School Band and Band Boosters are NOT responsible for payment of damages caused by anyone.

The Ascension Parish School Board, St. Amant High School, and St. Amant High School Band and Band Boosters are in no way responsible for parents and/or children attending this trip but not purchasing the band package and riding the buses with the band to and from Orlando.

General Guidelines

Any trip with the band is considered an Academic Commitment. As with any school activity, all school rules are in effect. Any student found in violation will be dealt with according to Ascension Parish School Board, St. Amant High School, and St. Amant High Band policy. In severe cases, including the possession or consumption of alcohol or illegal drugs, inappropriate student contact, vandalism, illegal activity, or any other serious offense, the offending student(s) will forfeit the remainder of his/her trip, and must have a parent or guardian transport them home immediately. The offending students will then be referred to the school administration upon returning to school and will be dealt with according to school board policy. Other forms of discipline may be made at the discretion of the band directors including, but not limited to, prohibition from selected activities, work detail, or other appropriate actions.

Additionally, the band directors reserve the right to reject the contract of any student who has presented discipline problems, or who is not in good standing with the band due to excessive unexcused absences, failure to participate in required rehearsals or performances, or other serious offenses including suspensions from school which could jeopardize the reputation or performance of the band.

Prior to the trip, a bus list and rooming list will be posted for students and chaperones to sign. The seats and rooms signed for will be the ones assigned those **cannot be changed**. The band directors, however, will have the option to alter room/bus assignments in order to eliminate discipline and/or accommodation problems. Prior to leaving, all student luggage, bags, and personal items will be searched for illegal/prohibited items.

All St. Amant High School Band students shall be housed in quad rooms with other band members. This provision has been put in place to insure fair and equal pricing for all students attending the trip. Chaperones will be housed according to their occupancy contract. Spouses and younger children/family members who are not members of the St. Amant High Band will be housed together provided they sign the same occupancy contract. In the event space or accommodations become limited, priority will be given to participants with contracts in the following order: 1) Band Members and Instructional Staff, 2) Parent/Guardian Chaperones, 3) Children of Chaperones, 4) Other Family Members of Chaperones, 5) Unaffiliated Guests. In this circumstance, all money paid toward the trip will be refunded in full.
